

IN THE MICHIGAN COURT OF APPEALS

ORDER

Re: **In re TKAW Minor**
Docket No. **301851**
L.C. No. **10-000055-AD**

David H. Sawyer, Chief Judge Pro Tem, acting under MCR 7.201(B)(3), orders:

The claim of appeal is DISMISSED for failure to pursue the case in conformity with the rules. MCR 7.201(B)(3) and 7.216(A)(10). The Clerk of this Court provided notice regarding the nature of the defects in this filing, and the defects were not corrected in a timely manner by providing this Court with proof of service of the claim of appeal on the other party or parties to this case and a copy of the order appealed from. Dismissal is without prejudice to whatever other relief may be available consistent with the Court Rules. Notably, the notice of defects mailed to appellant by the Clerk of this Court on March 18, 2011 was returned by the postal service with an indication that appellant is no longer at the location to which the notice was mailed. Appellant has failed to provide this Court with an updated address.

The motion to waive fees is DISMISSED as moot.

The motion for the trial court to supply the court reporter's certificate and register of actions is DENIED as moot.
